

Hi!

You don't know me, but I've just paid for your order. No gimmicks - it's just something I felt like doing. I heard about people doing things for others, on radio station KTFY at 88.1 on the dial. They call it "the drive-thru difference." Maybe you'll feel like doing it for someone else!

I hear that KTFY likes to share the stories on the air! Their phone number is 733-9509.

I hope this encourages you today!

Signed,

The stranger in
